

DOB IN A ROGUE OPERATOR

QBIC met with Queensland Transport in an attempt to reduce and ultimately eliminate the loss of charter work to Rogue Operators. As a result of that meeting it was agreed that QBIC Members should dob in Rogue Operators who are operating illegally. Please complete the form below and either email or fax it to the QBIC office (manager@qbic.com.au , fax (07) 3397 1766), should you witness an unaccredited Operator performing charter work.
